

Top 10 Reasons to Meet at The St. Louis Executive Conference Center

There are dozens of reasons to meet at the St. Louis Executive Conference Center (ECC), but here is a list of the Top 10.

1. WE'RE CERTIFIED

The ECC is an International Association of Conference Center (IACC) approved facility. This means we've met rigorous IAAC standards to ensure professionalism and offer a truly unique venue for small to mid-sized meetings which provides an atmosphere that is singularly and intensely focused on productive meetings.

2. EVERYTHING YOU NEED – ALL WITHIN REACH

The Complete Meeting Package (CMP) provides an all-inclusive per person rate for rooms, meals, breaks, conference space and basic audio-visual needs – removing the guesswork from budgeting.

3. TAKING CARE OF BUSINESS

Sessions scheduled away from the office and the day-to-day work demands routinely foster a much higher level of creativity. Our private suites avoid the invasive workday distractions that often interrupt and derail meetings hosted in the office.

4. IT'S A GROUP EFFORT

The ECC's face-to-face meeting environment fosters trust and teamwork between the meeting attendees that can then be transferred to the business arena.

5. SERVICE WITH A SMILE

Professional conference coordinators offer a single point of contact before, during and after the meeting so they can minimize or even eliminate the need for additional on site meeting planning participation.

6. LOCATION, LOCATION, LOCATION

We're located in the heart of the downtown business district, so there's no need to haul your group out of their comfort zone for a corporate retreat or training program.

7. REST AND RECHARGE

Out of town attendees can overnight in one of the many convenient hotel rooms available downtown.

8. BRINGING A LOT TO THE TABLE

We offer conveniently located dining areas where participants can take meals and breaks from the meeting schedule without having to search for nearby restaurants. Plus pre-planned meals eliminate uncontrollable ala carte menu purchases and maintain the meeting budget.

9. ST. LOUIS...EASY ON THE WALLET

Why exhaust precious budget dollars when you can host your next important meeting in your own backyard?

10. THE MEETING YOU WANT

The ECC offers a unique and specialized venue for small meetings and provides meeting planners with easy "off the rack" purchasing with custom-tailored results.

If you need even more reasons why the ECC is perfect for your next meeting, Jenny and Ashley would be happy to discuss them with you.
