

# StreamStage

**The StreamStage at America's Center** is a hybrid meeting solution that provides everything event organizers need to connect stakeholders on-site, and on-line.

 Multiple levels and 1,400 permanent seats allow for ample social distancing for up to 210 in-person attendees.

 Hi-def video and streaming provided by Encore and Smart City.

 The latest cleaning measures and technology.

 A true turn-key hybrid studio setup that provides a seamless virtual experience.

## YOUR HYBRID MEETING SOLUTION

Full day and half day packages include a production manager, rental of the theater space, internet bandwidth for live streaming, HD Camera, audio and studio backdrop with lighting and projection capabilities.
